A complete [menu](#) of Mashwi from Luton covering all 15 menus and drinks can be found here on the food list. Despite some negative reviews, the overall consensus for this restaurant is mixed. Some diners have had issues with slow delivery times, cold food, and poor customer service. However, others have praised the generous portions, delicious vegetarian options, and friendly staff. While the restaurant may not meet everyone's expectations, it still offers a variety of menu items at reasonable prices. It seems like the best experience may come from trying out the vegetarian starters or the chicken marinated grill. A mixed bag, but worth a try for those in search of something new.
