<http://www.thewrencoffee.com/>

On this site, you can find the **complete [menu](#) of The Wren Cafe** from City of London, Westminster. Currently, there are **16** menus and drinks available. The Wren Café offers a unique experience as a coffee house located in a church near St. Paul's Cathedral. With beautiful decor and a quiet ambiance, it's an ideal spot for city workers looking for a tranquil setting. Despite some mixed reviews regarding the quality of the coffee and food, the café's spacious seating and friendly staff make it a popular choice. The café opens early, attracting commuters and tourists seeking excellent drip coffee. Overall, it's a perfect escape from the city hustle, providing a serene atmosphere for meetings or work, with the stunning architecture adding to its appeal.
