A recent experience at this restaurant for a Mother's Day celebration left a lot to be desired, with long wait times, cold food, and disappointing service. However, positive reviews highlight the friendly and attentive staff, especially in the carvery section. The dog-friendly atmosphere and children's play area make it a popular choice for families on holiday. Despite some inconsistencies in food quality, the overall consensus seems to be that the service is exceptional, making it a good option for a casual meal out. Some customers were particularly impressed with the carvery options and the overall dining experience.
