A **comprehensive [menu](#) of Spice Hut** from Rochford covering all **16** meals and drinks can be found here on the food list. Spice Hut in Rayleigh used to be a favorite, but recent reviews have shown a decline in quality and portion sizes. While some dishes are still acceptable, others have been disappointing with watery rice, tiny portions, and undercooked naan bread. Many long-time customers have expressed their disappointment with the drop in standards, with some even switching to other takeaways. However, there are also positive reviews praising the quick delivery, delicious food, and friendly staff. Overall, customers have had mixed experiences, but Spice Hut seems to be struggling to maintain its reputation as the best Indian takeaway in Rayleigh.
