Here you can find the [menu](#) of **The Ridgeway Fish** in St Albans. At the moment, there are **17** meals and drinks on the menu. This restaurant has received a mix of reviews, with some customers expressing disappointment in the decline in food quality and customer service. On the flip side, the gluten-free options seem to be a hit with patrons, with a particular highlights on the dedicated Wednesday menu. The prices have been questioned, with some feeling that they are on the high side. Despite some operational hiccups, the food itself has generally been praised for being delicious and freshly cooked. Overall, the restaurant seems to have its strengths and weaknesses, making it a mixed bag for potential diners.
