A complete [menu](#) of Argus Fish from Bristol, City of covering all 17 meals and drinks can be found here on the menu. Argus, a long-standing fish and chip shop, has recently received mixed reviews. Some customers were disappointed by undercooked chips and lack of attention to detail, while others praised the beautiful and crispy fish. The large portion sizes and diverse menu were appreciated by many, with some even driving out of their way for the fish and chips. Overall, the quality of food seems to vary, with some finding it superb and others feeling let down. Despite this, many still recommend trying their cod and chips, as well as the jumbo battered sausage.
