A **comprehensive [menu](#)** of No.8 At The Red Lion from Watford covering all 17 meals and drinks can be found here on the food list. The Red Lion pub next to the Watford FC ground has received mixed reviews recently. While some praise the quality of the food, atmosphere, and friendly staff, others criticize the high drink prices and small portions. The lack of card payments and excessive noise levels on match days are also mentioned as drawbacks. Overall, it seems like a good spot for post-match celebrations, but customers should be prepared for potential disappointments in terms of pricing and service.
