This restaurant offers a variety of fish and chips, some reviews weren't so good but I had a great experience. The food arrived on time and was delicious, with enormous portions. Prices were reasonable and customer service was excellent. The chip Butty was a great value, served quickly, and the free ketchup was a nice touch. The small cod and chips and smokey sausage and chips mix-up was handled well and the cod and chips were excellent. Overall, a great place for delicious food, friendly service, and great value.
