A complete [menu](#) of Fortune House Chinese Take Away from Gloucester covering all 17 meals and drinks can be found here on the card. Despite a mix of positive and negative reviews, the general consensus on this Chinese takeaway seems to lean towards disappointment with the food quality. Complaints included cold, reheated dishes, chewy meat, and items being overly sweet. While the service received some praise, such as being polite and efficient, the overall food experience left much to be desired. However, there were a couple of bright spots, like tender barbecue ribs and delicious crispy prawns. With some inconsistency in food quality, this restaurant may be hit or miss for customers seeking an authentic Chinese meal at an affordable price.
