A **comprehensive menu** of Efes Bbq from Northampton covering all **17** dishes and drinks can be found here on the card. While some diners have criticized Efes for overcharging, reduced portion sizes, and high prices, others have praised the authenticity and quality of the Turkish cuisine. The Lamb sizzler meal and platter for two were particularly recommended dishes. Despite mixed reviews on portion sizes and pricing, the restaurant seems to offer a wide selection of fresh and delicious Turkish dishes in a friendly atmosphere. Overall, Efes appears to be a good option for those seeking authentic Turkish cuisine without breaking the bank.
