A **comprehensive menu of Forno Pizza** from Broxtowe covering all **18** dishes and drinks can be found here on the food list. Forno's, once a beloved takeaway in Beeston, seems to have lost its charm under new ownership. Customers have reported a decline in quality, longer wait times, and incorrect orders. While some still praise the food, others have vowed not to return. Despite past glory, Forno's faces an uncertain future if changes are not made. From plastic-tasting cheese to delayed deliveries, the once-favorite spot now struggles to meet expectations. Inconsistent service and disappointing experiences have left loyal customers disheartened, with hopes that Forno's will reclaim its former glory are fading.
