Here you can find the [menu](#) of **Cape Cod** in Larne. At the moment, there are **17** menus and drinks on the card. Although the food at this Larne restaurant is not exceptional, the lack of organization and slow service may deter some customers. From greasy fish and chips to lengthy wait times, customers have expressed frustration with the current state of affairs. However, those who visit towards closing time may have a better experience, as demonstrated by top-notch service and delicious food served to perfection.
