A **comprehensive [menu](#)** of **Bunters And Athenas** from Northumberland covering all **18** meals and drinks can be found here on the food list. Bunters in Hexham offers a cozy atmosphere with a welcoming staff, but reviews are mixed. While some say the coffee and meals are delicious and reasonably priced, others complain about high prices, small portions, and subpar quality. The cafe's location is convenient for people-watching, but the overall consensus seems to be that there are better options in the area in terms of value for money. However, the homemade food and warm welcome from the hosts may make it worth a return visit for those seeking a friendly atmosphere and variety of snacks and treats.
