Her finder du den [menu fra Proviand](#) i Halsnaes. I øjeblikket er der **19** anretninger og drikkevarer i menuen. Proviand of is a cozy cafe with a delicious decor and lovely atmosphere. However, there have been issues with orders being mixed up and less-than-impressive burgers. Despite this, the menu is exciting with a focus on greens, and the food is tasty. The service is friendly, with a variety of drink options available. The cafe is relatively small but worth a visit for a nice lunch. Overall, Proviand of offers a pleasant dining experience with room for improvement.
