A **complete menu** of Moto from Cheshire East covering all **18** dishes and drinks can be found here on the food list. Costa Coffee at this service station is a decent option for coffee and cakes. The overall service station has mixed reviews, with some customers finding the facilities appalling. The prices on food and drinks are said to be high, but some visitors found the Burger King to be fantastic. The parking area is poorly designed, but the station is seen as clean overall. The variety of food options is good, with M&S offering gluten-free options. Overall, this service station provides the necessary services but may need improvement in cleanliness and customer service.
