A **comprehensive [menu](#) of Winchelsea Beach Cafe** from Rother covering all **17** courses and drinks can be found here on the card. The cafe in question seems to have mixed reviews, with some patrons expressing disappointment in the food quality and lack of safe options for those with allergies. Others have praised the friendly staff, delicious cakes, and pleasant outdoor seating area. The location by the beach appears to be a major draw, despite some issues with limited parking. Overall, while there are concerns about food safety and variety, the cafe seems to have its charm, especially for those looking for a beachside spot to enjoy a drink and snack.
