A **comprehensive menu** of The Ardingly Inn from Mid Sussex covering all **16** dishes and drinks can be found here on the food list. A recent visit to the Ardingly Inn left much to be desired for some guests. Expecting comfortable and friendly accommodation, they were instead disturbed by a live band playing right outside their room until late. The following meal at an empty restaurant was deemed one of the worst ever experienced. On a positive note, cleanliness was maintained and sincere apologies were offered by the staff. Other guests found their stay satisfactory, with clean rooms, friendly staff, and good value for money. The food, however, received mixed reviews, ranging from disappointing to delicious. Overall, it seems like the Ardingly Inn may have some room for improvement.
