A **comprehensive menu** of Aylesbury Tuck from Aylesbury Vale covering all **16** dishes and drinks can be found here on the card. The Aylesbury Tuck is a mixed bag according to recent diners. While some found the staff friendly and efficient, others were put off by uninterested and unfriendly service. Complaints also included lack of options for allergy sufferers and concerns about drug use on the premises. However, positive reviews highlighted the delicious breakfast options, particularly the bacon, and the cleanliness of the restaurant. Overall, it seems like a hit or miss experience with mixed reviews on both service and food quality. Whether or not to give it a try may depend on your tolerance for potential drawbacks.
