A **comprehensive menu** of Arrighi's from Copeland covering all **16** meals and drinks can be found here on the menu. Arrighis is a mixed bag of reviews, with some diners finding the fish and chips disappointing due to issues like oily chips and overpriced meals, while others rave about the fresh fish, delicious chips, and friendly staff. Despite some negative comments about portion sizes and pricing, the overall consensus seems to be that the food is tasty and worth trying. The dog-friendly atmosphere, cooked to order meals, and warm service are highlighted as positives, making it a popular spot for locals and visitors alike. Overall, Arrighis appears to offer a decent dining experience, with a few hiccups here and there.
