The restaurant from [Inverclyde](#) offers **18 different dishes and drinks on the menu** at an average £4. This bustling Subway location presents a blend of experiences. While many patrons commend the friendly, efficient staff and the clean environment, issues persist. Customers ordering through Uber Eats frequently report missing items and poor quality food. Moreover, inconsistent portion sizes leave diners underwhelmed. A particular staff member has garnered criticism for unprofessional behavior, casting a shadow over otherwise positive interactions. Despite these shortcomings, loyal patrons appreciate the convenient offerings and value for money. For those craving a quick bite, this spot may suffice, though some might consider exploring alternative options for a more satisfying experience.
