On this webpage, you can find the **complete menu** of Himalayan Inn from Gedling. Currently, there are **18** courses and drinks up for grabs. The restaurant offers a disappointing takeaway experience, with bland and repetitive dishes leading to illness in one diner. The meals lack flavor, and the use of a generic base sauce from a supplier detracts from the dining experience. Larger groups may experience delays and missing items, but the food quality remains high. Traditional Nepali dishes such as momos and Chhoila are recommended for a genuine taste of Nepal. Service is welcoming and efficient, with standout dishes such as Chicken Handi and Chicken Tikka Shaslik. Overall, Himalayan Inn provides an authentic Nepali dining experience worth visiting for flavorful dishes and attentive staff.
