A **complete menu** of Subway from Angus covering all **20** courses and drinks can be found here on the card. Despite some negative experiences, Montrose Subway has been a hit or miss for customers. Complaints of disorganization and lackluster service are common, along with inconsistencies in food quality and service speed. However, there have been instances of exceptional service, such as a kind gesture from staff that left customers feeling grateful. Cleanliness and healthy options were praised, but employee morale seemed low. Overall, Montrose Subway could improve on customer service, organization, and employee satisfaction to enhance the dining experience for patrons.
