Here you can find the [menu](#) of **The Wrestlers** in Welwyn Hatfield. At the moment, there are **20** menus and drinks on the card. The Wrestlers re-opened in May to a new look, with mixed reviews. While some found the atmosphere and food exceptional, others were disappointed with the changes in decor and menu prices. Despite some complaints about the quality of food and service, the Sunday carvery seemed to be a highlight for many visitors. The traditional pub setting and friendly staff were praised overall, making it a recommended spot for those looking for a relaxed dining experience. The large portions of the Sunday roast were particularly popular, offering good value for money. Overall, a mixed bag of opinions for this traditional pub.
