**The Card of Clare House from GrangeOverSands** includes about **20** different dishes and drinks. On average, you pay for a dish / drink about £4. The restaurant offers a mix of experiences, with some customers raving about the exceptional service, delicious food, and delightful atmosphere, while others found the food portions lacking and the service lacking in certain areas. The afternoon teas were mostly praised, with fresh food and attentive staff, but some suggestions for more cake variety. Views from the outdoor seating were appreciated. Overall, while there were some hiccups in service and food quality, most reviewers would recommend the restaurant for a charming dining experience.
