While some have praised the delicious food, cozy ambiance, and attentive staff, others have had negative experiences with cancelled bookings and unimpressive meals. Unfortunately, the restaurant was recently closed due to food safety violations, making it unlikely to regain trust from customers. With the restaurant under new ownership, there may be potential for improvement in the future. For now, it seems that Okra Green has a lot to work on in order to regain its reputation as a go-to spot for Indian cuisine in Dublin.
