A **complete menu** of Maxis from York covering all **19** meals and drinks can be found here on the card. Recent visits to the restaurant have raised concerns about potential cost-cutting measures, as some dishes seemed lower in quality and higher in price. Some guests were disappointed by overly onion-filled dishes and watery sauces, while others found the duck dish to be dry and salty. Despite these negative experiences, many diners still praise the authenticity and value of the food, with some returning multiple times for the great ambience and friendly service. However, a few guests were put off by what they perceived as unwelcoming treatment from staff. Overall, opinions on the restaurant are mixed, with some raving about delicious food and fantastic service, while others were left feeling disappointed and unwelcome.
