Here you can find the [menu](#) of **Devonshire Fisheries** in Charnwood. At the moment, there are **19** meals and drinks on the menu. A beloved fish and chip spot is receiving mixed reviews with recent price hikes causing disappointment among regular customers. While the food is still delicious and portions generous, concerns about cleanliness in the restroom and missing items in orders have been raised. On the bright side, the staff is friendly and attentive, and the food is said to be exceptional. The overall atmosphere is lovely, but improvements in restroom maintenance and adding card payment options could enhance the dining experience. Despite some issues, many still find the fish and chips truly delightful and worth a visit.
