The once-popular Asian restaurant in Peterborough has become inconsistent, with some diners experiencing disappointing meals. While the Sunday buffet has declined in quality, the starters are still a highlight. On the other hand, a terrible experience involving poor service and delayed seating left one group unimpressed. However, loyal customers appreciate the top-notch service and fantastic food at this restaurant, praising the friendly owner and welcoming atmosphere. Despite some negative reviews, many diners find the Indian food here exceptional, with a unique menu and accommodating staff. Overall, opinions vary, but the restaurant continues to attract both locals and visitors to Peterborough.
