A comprehensive [menu](#) of Lobster Smack from Castle Point covering all 20 meals and drinks can be found here on the food list. The Lobster Smack is a cozy pub in Canvey Island with a mixed bag of reviews. While some guests praise the exceptional food and service, others had negative experiences due to rude regulars, noisy diners, and slow service. Despite some issues with the food quality and atmosphere, the hardworking staff and charming location seem to balance out the mixed reviews. Overall, it appears the Lobster Smack is a hit or miss depending on the day, but many patrons do appreciate the warm service and good food options.
