Shiraz Restaurant, now known as Kolbeh, offers a mix of hits and misses. While the chicken and kabab were delicious, the [vegetarian](#) gheimeh was overcooked. The metal smell of the copper vessels was off-putting, and the sad music was a mood killer. Service was decent, but improvements can be made. Despite some negative experiences, loyal customers appreciate the Persian roots, quality ingredients, and generous portions. The mixed platter and Shiraz mix [kebab](#) are crowd favorites. The complimentary dessert and friendly staff add to the overall positive dining experience. Overall, a recommended spot for authentic Persian cuisine in Birmingham.
