On this site, you can find the **complete [menu](#) of Zara Balti House** from Fife. Currently, there are **20** courses and drinks up for grabs. Despite some minor hiccups like missing items and not receiving the expected level of spiciness in a Madras curry, Village Cuisine appears to be a decent option for takeout. The food is generally good and delivery is prompt, with some customers even praising the friendly delivery drivers. However, former fans of Zara Balti House might be put off by the change in ownership. Overall, while there are some complaints, such as the lack of fresh vegetables in certain dishes, Village Cuisine seems to satisfy most customers with its tasty offerings and reasonable prices.
