On this webpage, you will find the **complete [menu](#) of Cross Keys** from St Albans. Currently, there are **17** meals and drinks available. The Cross Keys in Harpenden has been a staple in the community for years, but recent reviews indicate a decline in quality. While some patrons appreciate the traditional English vibe, cozy atmosphere, and friendly staff, others have noted issues like dirty glasses, lackluster maintenance, and slow service. The pub's charm and large garden still attract visitors looking for a quiet spot away from the town center. Despite mixed reviews, the Cross Keys remains a local favorite for good ale and a welcoming ambiance.
