Here you can find the [menu of Spice Room](#) in Cherwell. At the moment, there are **17** meals and drinks on the card. Despite being a long-time favorite curry house, recent reviews have been mixed for this local restaurant. Complaints range from poor hygiene standards to bland dishes and slow service. Some customers have experienced issues with missing items in their takeaway orders, while others have been disappointed by the lack of flavor in their meals. However, there are still some positive reviews highlighting the delicious food and friendly staff. Overall, it seems that the restaurant's quality and consistency may have declined in recent times, leaving customers unsure about the future of this once-popular spot.
