The restaurant offers beautiful chicken burgers at a reasonable price, though the secret fish meat was disappointing. The new owners are praised for great service and delicious food, with items like meat [pizza](#), fillet burger, and curry chips standing out. Customers appreciate the staff's helpfulness and friendliness, with one applauding the double wrapping of food to keep it warm during a 10-mile journey home. Southern fried chicken and fries receive high praise, with ample portions and attentive service adding to the positive dining experience. Overall, the food is highly recommended and worth visiting any night of the week.
