A **complete [menu](#) of Redcliffe** from Highland covering all **17** courses and drinks can be found here on the food list. A recent visit to the Redcliffe left some guests feeling underwhelmed, with several complaints about slow service and subpar food quality. One group even found a hair in their dish. However, others praised the friendly staff and cozy atmosphere, noting that the food was well-prepared and the wine selection satisfactory. The restaurant seemed to suffer from being understaffed, leading to rushed service and delays in attending to customers. Despite mixed reviews, some customers enjoyed a pleasant dining experience, particularly in the conservatory area with a view of Inverness Castle. Overall, the Redcliffe offers a decent meal in a charming old hotel setting.
