A comprehensive [menu](#) of Usa Fried Chicken from Bridgend covering all 19 meals and drinks can be found here on the card. This Bridgend takeaway offers a mixed dining experience, marked by timely food delivery and delightful flavors. Many patrons praise the juicy, well-seasoned chicken and appetizing pizzas, often comparing them favorably to industry giants like Domino's. However, service issues have marred some visits, with reports of rude staff and delivery mix-ups. While the food's quality garners commendations, customers express a desire for improved salad options and more reliable customer service. Despite these challenges, the restaurant remains a popular choice for after-hours cravings, particularly for its spicy wings and generous portion sizes.
