A **comprehensive [menu](#) of Blackshaws Kitchen** from Stockport covering all 20 menus and drinks can be found here on the menu. Nestled in a charming corner of Stockport, this bistro offers a delightful menu featuring various breakfast and lunch options. Diners praise the quality, particularly the renowned Eggs Benedict and flavorful sandwiches. However, service proves inconsistent, with long waits for food and essential items often missing from tables. While staff are generally friendly, some patrons feel the atmosphere is less welcoming, particularly towards alternative-looking guests. The café's cozy ambiance and dog-friendly policy enhance its appeal, though visitors should be prepared for potential delays during peak times. Overall, it's a place with promise, just needing attention to service details for an optimal dining experience.
