A complete [menu](#) of The Hunters' Inn from North Devon covering all 20 menus and drinks can be found here on the menu. Nestled in the picturesque Heddon Valley, The Hunters Inn offers a beautiful setting but presents a divided experience. While some diners praise the friendly service and decent food, others lament a decline in quality since becoming a franchise under Bespoke Hotels. Disappointing dishes and a lack of atmosphere left some feeling let down, overshadowing delightful meals enjoyed by others. The venue's charm is complemented by its stunning surroundings, making it a great stop for walkers—if only the culinary offerings could match the breathtaking views. Only time will reveal if improvements are on the horizon.
