This once-beloved chippy seems to have lost its charm, with consistent complaints about cold, soggy chips and poor customer service. Many diners express disappointment, highlighting dried-out fish, missing curry sauce, and a lack of freshness in their meals. While some praise the friendly staff and cleanliness of the establishment, others are alarmed by questionable food preparation practices. Nevertheless, a few patrons still rave about the quality of certain dishes, including fresh fish and delicious kebabs. Overall, this restaurant is at a crossroads, as it strives to regain its former glory amidst mixed reviews.
