A **comprehensive menu** of Lifton Farm Shop from West Devon covering all **16** dishes and drinks can be found here on the food list. Despite its previous charm, the recently deteriorated standards at this establishment left much to be desired. Overpriced, chaotic, and lacking in basics like air conditioning and properly cooked bacon, this once-beloved spot has seen better days. The picnic, though of good quality, was delayed due to overcrowding, while the farm shop and restaurant received mixed reviews. The small box of treats offered a delightful takeaway option, and the hearty breakfast options were praised, despite the occasional long waits. Overall, the place seems to have lost its former appeal, leaving many patrons disappointed and unlikely to return.
