A **comprehensive [menu](#) of The Edinburgh Pub** from Brighton covering all **20** meals and drinks can be found here on the menu. The Eddy, a recently awarded pub in Brighton, has garnered mixed reviews that reflect a range of customer experiences. While its selection of beers and vibrant atmosphere for sports enthusiasts stand out, the service and overall warmth seem inconsistent. Some patrons felt unwelcome, citing a lack of engagement from staff, while others praised the friendliness of certain team members. The food, particularly the vegan options, received compliments, though the taste of traditional roasts fell short for some. Overall, while The Eddy holds promise, it may not cater to everyone's expectations of a welcoming pub experience.
