A complete [menu](#) of The Craggan from Highland covering all 20 menus and drinks can be found here on the menu. Nestled along the scenic North Coast 500 route, this charming restaurant offers a mix of delightful dishes and a warm atmosphere, though experiences can vary. Diners have praised the quality of food, noting the fresh, locally sourced shellfish and generous portions, particularly enjoying the lobster bisque and steak pie. However, service can occasionally feel lackluster, with reports of long waits and mix-ups in orders. Despite some minor menu tweaks suggested by patrons, the inviting space, friendly staff, and emphasis on cleanliness make it a worthwhile stop for both locals and travelers exploring the area. Reservations are recommended, especially during busy periods.
