On this webpage, you can find the **complete [menu](https://menuweb.menu) of Falcon Inn** from Stockton-on-Tees. Currently, there are **20** menus and drinks available. At The Falcon, diners have experienced a mix of nostalgia and disappointment. While the friendly staff and generous portions consistently receive praise, the decor feels outdated, reminiscent of a nursing home. Guests have noted a decline in food quality, particularly with the chicken parmo, whereas others celebrated dishes like the steak and ale pie. Service, often highlighted as excellent, and reasonable prices keep patrons coming back, despite some criticisms of the kitchen's inconsistencies. Overall, The Falcon remains a cozy spot with potential, promising enjoyable moments for those willing to overlook its imperfections.
