On this site, you can find the **complete [menu](#) of Subway** from Stoke-on-Trent. Currently, there are **20** dishes and drinks up for grabs. In a recent review of a local Subway, patrons expressed mixed feelings. While some enjoyed the friendly service and quick meal options—highlighting the new Chicken Caesar sub and the extensive variety of sandwiches—others lamented issues with missing orders and an underwhelming salad bar. The cleanliness of the restaurant raised concerns, with dirty tables and full bins noted during busy lunch hours.

Despite limited drink options and parking challenges, the reasonable prices and vegan choices make it a potential go-to for budget-conscious diners. However, consistent quality and service seem to be areas needing improvement for a more satisfying visit.
