On this homepage, you can find the **complete menu** of Isis Pizzeria Cafe from Gwynedd. Currently, there are **20** dishes and drinks available. Nestled in the picturesque town of Barmouth, this pizzeria captivates with stunning quay views and a cozy interior, although its limited seating may deter some patrons. While many rave about the delicious pizzas, including an array of vegan options, others express disappointment with pricing, service, and the authenticity of the offerings. Inconsistent customer experiences highlight the need for improved service training. Despite its shortcomings, the warm atmosphere and delightful food, such as the popular halloumi and falafel salad, make it a worthwhile stop for both locals and visitors enjoying the beautiful surroundings.
