On this site, you can find the **complete [menu](#) of The Summer Grill** from Ceredigion. Currently, there are **20** courses and drinks up for grabs. Nestled on the picturesque harbor side, this restaurant recently transformed into a pop-up street food marquee. While the ambience is inviting, diners report a disparity between expectations and reality. The menu, though visually appealing, offers limited options at steep prices, often leading to disappointment in both taste and service. Though some meals, like the awarded Welsh breakfasts, have garnered praise, others fell short, with issues of overcharging and understaffing noted. Despite the challenges, a handful of friendly staff members strive to create a pleasant experience, leaving guests hopeful for improvements in both food quality and service efficiency.
