A **comprehensive menu** of Maguires from Gateshead covering all **19** courses and drinks can be found here on the card. Maguire's in Rowlands Gill remains a beloved local destination for takeout fish and chips, praised for its fresh, tasty options and quick service. While recent inconsistencies in portions and fish quality have raised concerns among some patrons, loyal customers continue to appreciate the variety, including the standout beef dip sandwich. A shift to using a vinegar spray has sparked debate, with calls for a return to traditional serving methods, but many still favor its quaint charm and commitment to providing smaller portions for those preferring a snack. Overall, the establishment balances its reputation with fluctuating feedback yet retains a dedicated following.
