A **comprehensive menu** of **Roosters Chicken** from Wycombe covering all **19** courses and drinks can be found here on the card. Chicken Cottage offers a patchy dining experience that often leaves patrons conflicted. While some diners have praised the affordability and taste of the menu, highlighting delicious chicken burgers and well-seasoned sides, concerns about cleanliness and hygiene linger. Reports of dirty tables and a history of low hygiene ratings have raised red flags among health-conscious customers. Moreover, slow service has been a recurring theme, with some guests facing significant delays. Despite the pleasant customer service noted by a few, the inconsistency in food quality and sanitation makes diners think twice before returning. Overall, proceed with caution when considering a visit.
