Evans Cafe, a beloved fixture in Newtown, offers a delightful selection of homemade cakes and hearty breakfasts, drawing in locals and visitors alike. While many praise the quality and freshness of the food, the service can be inconsistent. Some guests have encountered unfriendly staff that dampens the experience, contrasting sharply with the warmth exuded by other team members. Despite a few missteps, such as subpar milkshakes and lackluster ambiance during busy periods, the cafe remains popular for its inviting atmosphere and delicious offerings, particularly its renowned Chelsea Buns and seasonal specials.
