A **comprehensive [menu](#) of Shepherd's Inn** from Peterborough covering all **20** meals and drinks can be found here on the card. Located conveniently in a central area, this Lithuanian restaurant dazzles with its authentic ambiance and delicious traditional dishes. Diners praise the reasonable prices and well-cooked meals, including favorites like cepelinai and dough-battered fish. However, the dining experience is marred by inconsistent customer service, often described as rude, with discrepancies between menu prices and final bills. Cleanliness varies, and some guests noted issues such as excessively oily dishes and poor staff responsiveness. Despite these concerns, many leave with a positive impression of the food, making it a potential spot for budget-conscious diners seeking genuine Lithuanian cuisine.
